

Please answer the following questions to give us a better idea of the kind of logo that you are looking for. If you don't have a colour/image/font preference, feel free to leave those questions blank.

What is the name of your project?	
Do you want any other text on the logo (e.g. tag line)?	
Please give a brief description of the project.	
What message you would like the logo to represent?	
Do you have any existing brand colours or colour preferences? (This doesn't need to be specific, e.g. Cold or warm colours? Bright? Contrasting? Complimentary?).	
Do you have any specific imagery in mind for your logo or would you like something abstract?	
What kind of font do you have in mind (i.e. modern, bold, serif , script, etc.)?	
Are there any existing logos that appeal to you? Why? Please attach, copy and paste, or give the URL to these logos here.	
What is your deadline for the finished logo?	
Do you have any other comments or questions?
